### ING Business & Personal Term Deposits^:

Applications for Business and Personal Term Deposits are subject to eligibility criteria for approved applicants only.

Minimum opening deposit of \$10,000 for any Term Deposit Account

Maximum combined limits on Term Deposits - We may refuse an application for a term deposit where it would result in you exceeding the following limits:

- Personal Terms Deposits: The total combined balance of all Personal Term Deposit Accounts held by a person (individually or in joint names) cannot exceed \$5million.
- Business Term Deposits: The total combined balance of all Business Term Deposits as held by the Australian-resident business or trust cannot exceed \$10million.

The interest rates that apply to Business and Personal Term Deposits are the interest rates that are current on the date the term deposit is opened. Interest rate reduction will apply where you break the Term Deposit prior to the maturity date.

### Business Optimiser^^:

Variable welcome rate applies for 6 months from the date the Business Optimiser is opened on balances up to \$1 million and is subject to change. At the end of the 6 month period, the rate that applies to your client's balance will be the Business Optimiser standard variable rate applicable at the time. The offer is applicable on the first Business Optimiser opened per entity and is for a limited time only.

### **Savings Maximiser#**

The additional variable rate can only apply when your client also has an Orange Everyday. The additional variable rate (that is added to the Savings Maximiser standard variable rate) applies on one Savings Maximiser per customer for the next calendar month when your client performs the following during the current calendar month:

- deposits at least \$1,000 from an external bank account to any personal ING account in your client's name (excluding Living Super and Orange One), and
- also makes at least 5 card purchases that are settled (and not at a 'pending status') using their ING debit or credit card (excluding ATM withdrawals, balance enquiries, cash advances and EFTPOS cash out only transactions).

In addition to the eligibility criteria, this one account will need to be nominated as the Savings Maximiser account to receive the highest variable interest rate. If the account is not the nominated account, then the standard variable interest rate will apply.

Card purchases includes in store credit or EFTPOS purchases, online purchases, regular card payments, payWave, Apple Pay and Google Pay transactions made with an Orange Everyday Visa card, Orange One or Orange One Platinum Visa card or Nil Interest Visa card provided with an eligible ING home loan. When using the phrase 'settled' card purchases in a calendar month, we mean that the purchases made on your card must be fully processed by the end of the last day of that month. Card purchases made in store or online this current calendar month which are at a 'pending status' and do not settle until the next calendar month do not count towards the 5 card purchases needed this current calendar month.

When determining if your client is eligible under the offer, we also take into account the behaviour of any of your client's joint account holders or additional cardholders. The offer applies to a maximum of one nominated Savings Maximiser account held in your client's name (either single or joint account). Any amounts above \$100,000 are subject to the Savings Maximiser standard variable rate applicable at the time. If your client does not satisfy the conditions to receive the additional variable rate, the standard variable rate applies. If your client has multiple Savings Maximiser accounts, visit online banking or call us on 133 464 to check or change which Savings Maximiser account receives the additional variable rate (if eligible). ING can change or withdraw the additional variable rate at any time. The additional variable rate is not payable in conjunction with any other promotional rate.

### **Savings Accelerator~**

The combined total deposits in all of the customer's Savings Accelerator account(s) shouldn't exceed \$5 million, whether account(s) are in individual or joint name(s).
