

THINK Economic and Financial Analysis

We are pleased to announce that ING's THINK Economic and Financial Analysis team will be producing our economic update going forward, if you have any questions about the content or format please do not hesitate to contact us.

Australia: Mixed present, decent future

Australia suffers more from a surfeit of unfulfilled optimism than any genuine issues. Sure, there are some areas of economic softness, and some longer-term structural features that will bear watching over the medium term. But the economy remains one of the most robust in the developed world. [Read more.](#)
